

# INTERNATIONAL SYMPOSIUM ON MECHANISM AND MACHINE SCIENCE ISMMS – 2017

Baku, Azerbaijan, September 11-14, 2017

## CALL FOR PAPERS

[http://aztu.edu.az/azp/resources/symposium/sim\\_en.pdf](http://aztu.edu.az/azp/resources/symposium/sim_en.pdf)

### Organized by

Azerbaijan Committee of International Federation for the Promotion of Mechanism and Machine Science (AzC IFToMM), Ministry Education of Azerbaijan, Azerbaijan Technical University, İzmir Institute of Technology.

### Coordinators:

IFToMM – International Federation for Promotion of Mechanism and Machine Science  
Azerbaijan National Academy of Aviation, Azerbaijan State University of Oil and Industry  
Qafqaz University,  
AzerSUN Holding,  
Az-Granata LLC.

### Organizing Committee:

**Chairman:** Alizade Rasim İsmayıl oğlu – Chairman of Azerbaijan Committee of International Federation for the Promotion of Mechanism and Machines Science (AzC IFToMM).

### Co-Chairs:

Ayaz Abdullayev Qidayat oğlu – Director of Scientific Research Center Mechanical Engineering, Azerbaijan Technical University, Dr.Tech.Sc., Professor.

Gokhan Kiper – İzmir Institute of Technology, Mechanical Engineering Department, Turkey.

### International Scientific Committee:

Alishir Alifov (Russia)  
Bernard Roth (USA)  
Daizhong Su (England)  
Can Dede (Turkey)  
Jorge Angeles (Canada)  
Minir Yarullin (Tatarstan)  
Paulo Flores (Portugal)  
Erkin Gezgin (Turkey)  
Nazim Mir-Nasiri (Kazakhstan)  
Chen I Minq (Singapore)  
Erwin-Christian Lovasz (Romania)  
Glazunov Viktor Arkadievich (Russia)  
Albert Alberts (Germany)

### Local Scientific Committee:

Ilham Pirmamedov (Azerbaijan)  
Ali Najafov (Azerbaijan)  
Alesker Aliyev (Azerbaijan)  
Ali Sadikhov (Azerbaijan)  
Mazakhir Farzaliyev (Azerbaijan)  
Firuz Mammadov (Azerbaijan)  
Fazil Vəliyev (Azerbaijan)  
Rafik Aliyev (Azerbaijan)  
Rafiq Jamalov (Azerbaijan)  
Ramiz Gurbanov (Azerbaijan)  
Vuqar Mikailov (Azerbaijan)  
Ziafet Kerimov (Azerbaijan)

### Purpose of the Symposium:

The main purpose of the Symposium is to attract scholars, researchers and other professionals, interested in the promotion of science of mechanisms and machines, presenting Own Scientific works contributing to the establishment of Scientific relations for the implementation of further innovative projects.

All adopted articles will be published in the scientific journal Machine Science (ISSN 2227 – 6912), and also in scientific proceeding of the Symposium.

### Topics of the Symposium:

Kinematics and synthesis of mechanisms  
Gear driver and transmissions  
Dynamic of machines  
Reliability of machines  
Tribology  
Mechatronics  
Manipulators and robots  
Oil-Field machines and mechanisms  
Technological machines  
Transport vehicles

### Submission, presentation and publication:

Potential speakers are offered to submit offers on oral, poster or the video-presentations. Authors are invited to submit a full paper of max. 8 pages through submission system described on the website. The official languages

of the Symposium are English, Azerbaijani and Russian.

Each paper will be reviewed by the members of the Organizing Committee.
